

A student may propose a major program with as few as 24 semester hours in one discipline, and a total of 52 -76 semester hours. The program will be subject to the approval of all the Schools/Departments involved and the Dean of the College, and will be administered by a member of the School/Department giving the core of 24 semester hours or more.

Please obtain signatures from **ALL** School/Department Chairs where courses have been taken, as well as from your Major Advisor(s). This form is not complete until all signatures have been obtained.

Please attach your written rationale for this major on a separate page.

If approved, your transcript will list your major as Individual Interdisciplinary, and your degree (BA or BS) is determined by the courses which comprise your program.
