What is it about the new Fortnite game that has people so excited? Well, maybe it's the fact that people have free money to spend as long as they want on virtual guns, or maybe it's the ability to create their own content and build their own virtual town. It's hard to say what really caught people's attention, but we've noticed that many people have built up some pretty elaborate skin packs for their favorite characters in this great new game! And we're going to show you how to make your own Fortnite skin with our best advice.

First off, if you want to try your hand at creating a free skin for your favorite character in Fortnite, you'll want to grab the Fortnite Free Skin Generator. This will help you make a free Fortnite skin for any of the characters in the game, free! However, if you get the right material and instructions, you'll be able to make one of the most popular skins in the game: the Charlize Theron Haywire skin! When it comes to good skin packs for the Haywire skin, there are literally hundreds to choose from. The best advice we can give you is to find the Haywire skin that you like, and find a skin pack that will make it look as if your character were simply stripped bare by the apocalypse.

We've found several different methods for doing this, and all we're going to mention here is the one that worked the best for us. Find a good skin pack that you like, and make sure that it's not too dark. We recommend using a Light or Warm tone. We also recommend doing a lot of research on the character that you plan to use for your free Fortnite skin. You may need to change her clothes from time to time, so do a lot of research. Our favorite Fortnite skin is the Charlize Theron Haywire skin, so we'll go ahead and tell you how to make your own!
